

Great American Shortcourse (GAS) Announces Venue Change for October 7-8 Event

[August 23, 2023] - Great American Shortcourse (GAS), the premier provider of short course racing events in the Western United States, is excited to announce a venue change for their highly anticipated October 7-8 event. Due to unforeseen circumstances, the event will now be held at the renowned Wild Horse Pass Motorsports Park in Chandler, AZ.

Wild Horse Pass Motorsports Park, known for its state-of-the-art facilities and challenging track, provides the perfect backdrop for GAS racers to showcase their skills and thrill spectators. With its strategic location in Chandler, AZ, the venue offers easy access for both participants and fans, ensuring an unforgettable experience for all.

The decision to move the event from Primm Raceway to Wild Horse Pass Motorsports Park was made after careful consideration and consultation with all parties involved.

"We understand that this change may come as a surprise to our loyal fans and teams, but rest assured, we are committed to delivering an exceptional event and are excited that the track in Arizona is open and ready to host the GAS series," said Lee Perfect, Series Director.

"Unfortunately, the Primm track is currently unavailable for off-road events, necessitating the change in location, but Wild Horse Pass Raceway offers an incredible racing environment, and we are confident that it will exceed everyone's expectations. When/if the Primm track again becomes available for use in the future, we hope to revisit the possibility of future events there."

GAS organizers are working diligently to ensure a seamless transition to the new venue. Tickets will be on sale soon and additional information regarding the event schedule and logistics will be communicated in the coming weeks.

About Great American Shortcourse (GAS):

Great American Shortcourse is a leading provider of off-road short course racing events in the United States. Founded in 2021, the company's family-friendly, accessible approach to racing has made it a favorite among enthusiasts of all ages and skill levels. With events across the Western US, GAS is committed to growing the sport of off-road racing and creating memorable experiences for its participants and spectators.
